Our INSPIRATION

CUSTOMER SATISFACTION

The customer is at the heart of everything we do, and we set out to prove that each and every time.

"What a blessing to experience the White House on the Hill with Jaynes Cottages. The pictures don't do it justice. One of the best rental experience we have ever had - equal to or better than our stays at the Ritz Carlton. Opened our minds on how we could make our next house build even more opulent. Highly recommended for people looking for Excellence in a location AND rental company!"

Kory - White House on The Hill

"We could not have been happier with the cottage and our experience with Jayne's Cottages. The owners have designed a superb modernist cottage with every comfort imaginable. It was a perfect break from the city in the most beautiful setting. We can't wait to come back. Our concierge was available promptly with any question we had about the cottage as well. I would use Jayne's again in a heartbeat."
